城市介紹 | INTRODUCTION OF THE CITY

深圳位於中國南部海濱，毗鄰中國香港，坐落於廣東省南部，珠江口岸，現有9個行政區，一個功能區，一個特別合作區。深圳擁有高效的城市管理體系和先進的基礎設施，是華為、騰訊、大疆、中興通訊、比亞迪等世界級科技企業的總部所在地，還是中國首個被聯合國教科文組織授予“設計之都”稱號的城市，也是“全球全民閱讀典範城市”。2024年全球智慧城市大會上，深圳市從64個國家和地區等429個申報城市中脫穎而出，榮獲“世界智慧城市大獎”。

Shenzhen, adjacent to Hong Kong, is located at the seaside in southern China. The city has nine administrative regions, one functional zone, and one special cooperation zone. Shenzhen has an efficient urban management system and advanced infrastructure. It is home to headquarters of several world-class technology companies, such as Huawei, Tencent, DJI, ZTE and BYD. It is the first city in China that has been awarded the title of City of Design by the UNESCO. It is also a Global Model City for Reading. At the 2024 Global Smart City Conference, 429 cities from 64 countries and regions competed for the World Smart City Awards, and Shenzhen stood out to be the winner.
